WE CARRY ONLY THE FINEST CONVERTIBLE TOPS!

Vinyl Tops

The best vinyl tops we've seen, with Haartz Supreme 36-oz. pinpoint-grain vinyl (backed with cloth) that's pre-shrunk and waterproof. Seams are stitched, then electronically sealed. The 40-gauge rear window is made from Regalite B.U.V. Ultralight plastic, which offers superior resistance to UV rays and scratches. Made in USA. 3-year limited warranty. Choose Black or Tan outer color; interior color is Black.

Sun-Fast Fabric Tops – Better Than Stay-Fast

Absolutely the finest cloth top available. Sun-Fast fabric uses 100% acrylic Glen Raven surface cloth, laminated to a pre-shrunk cotton backing cloth. Sun-Fast is engineered for high tensile and tear strength, but the fabric stays soft, supple and color-fast. The 40-gauge rear window is made from Regalite B.U.V. Ultralight plastic for superior resistance to UV rays and scratches. Made in the USA by Robbins. 3-year limited warranty. Choose from five outer colors: Black, Brown, Tan, Blue or Charcoal. Interior colors are Tan or Black. (Charcoal comes only with Black interior.)

Please note: exterior colors other than Black are not returnable unless defective.

Hand-Rolled Binding

Sun-Fast tops are available with hand-rolled binding around the edges. The edge binding is rolled over itself to hide the stitching, adding a refined, high-quality look. A finishing touch that is well worth the modest cost.
