ALFA ROMEO OWNER'S BIBLE

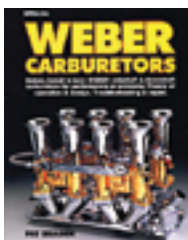

By Pat Braden

Pat Braden, owner of more than 50 Alfas and former editor of *Alfa Owner* magazine, shares step-by-step procedures on the care and feeding of your Alfa Romeo. Topics covered include: basic maintenance, Alfa history, high-performance modifications and buying tips. Covers all models from 1954 through V6 models. 260 pages; 300 photos; 8 1/2" x 11". #04312, \$34.95

ALFA ROMEO ALL-ALLOY TWIN-CAM COMPANION: 1954-1994 By Pat Braden

With an emphasis on US models, this book covers history, care and maintenance, and restoration. Met with instant acclaim, it's a wonderful parting gift from America's foremost Alfa Romeo expert, Pat Braden who, sadly, passed away before it went to press. Softbound; 8 3/8" x 11"; 296 pages; 392 photos and illustrations. #04406, \$39.95

WEBER CARBURETOR

By Pat Braden

In this comprehensive volume, you'll learn how Webers work and how to tune them for maximum performance. Clear, concise text and over 300 photos, drawings and charts make this book an essential for your automotive library. Softbound; 175 pages. 8 1/2" x 11". #04413, \$19.95

• Books, CDs, manuals and diagrams are non-returnable unless defective.
