Vinyl Tops

If you're looking for a quality vinyl top, look no further. These tops are made from Haartz Supreme 36-oz. pinpoint-grain vinyl (backed with cloth) that's pre-shrunk and waterproof. All seams are stitched; then electronically sealed. The 40-gauge rear window is made from Regalite B.U.V. Ultralight plastic, which offers superior resistance to UV rays and scratches. Made in USA by Robbins. 3-year limited warranty. Please choose Black or Tan outer color; interior color is Black.

Cloth Tops

Sun-Fast Fabric Tops use 100% acrylic Glen Raven surface cloth that's laminated to a pre-shrunk cotton backing cloth. These remarkable tops are engineered for high tensile and tear strength, but the fabric stays soft, supple and color-fast. Hand-rolled binding around the edges of the top hides the stitching for a refined, finished look.

The 40-gauge rear window is made from Regalite B.U.V. Ultralight plastic for superior resistance to UV rays and scratches. Made in the USA by Robbins. 3-year limited warranty. Choose from five outer colors: Black, Brown, Navy, Tan or Charcoal. Interior colors are Tan or Black. (Charcoal comes only with Black interior.) Please note: exterior colors other than Black are not returnable unless defective.
