HELLA HALOGEN HEADLIGHTS

These headlights are 50% brighter than standard sealed beams—yet they don't bother other drivers. Precision-cut reflectors are designed to cut off the stray light that causes bounceback glare. 7" model is SAE/DOT approved in all states, with a 1-year warranty.

7" Headlights: set of 2, #241621 **\$92.50** 7"

5 3/4" "quad" Headlights:

Low Beams, set of 2, #24171 **\$114.50**

High Beams, set of 2, #24172 **\$114.50**

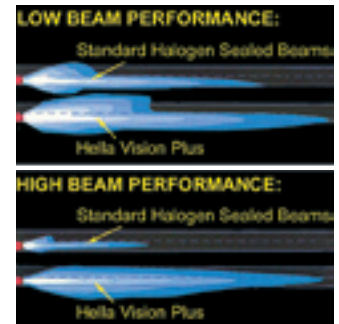

Note: the 5 3/4" models have not been certified in the USA and are sold for off-road use only.

REPLACEMENT BULBS FOR HELLA:

HB2 - 7" lights, #24163, **\$7.95 ea.**

H4 - #24171 low beams, #24174, **\$5.95 ea.**
